

PRESONS[®]

UNP[®] Brand

**UNP[®]
8.8**

Manufacturer & Exporter of:
Industrial Fastener,
**Property Class 4.6,
5.6, 6.8, 8.8, 10.9 & 12.9**

Manufacturers of :-

- » High Tensile Nut and bolt
- » Heavy Hex Head Bolts
- » Stud Bolts & Threaded Bar
- » Hot Dip Galvanized Bolt & Nuts
- » Plain & Spring Washers
- » Button Head Bolts
- » Foundation Bolt & Nuts

Company Profile

Fasteners manufacturing was started by Late Sh. Munshi Ram in 1968. With his Blessings it was diversified under the name and style of M/S **Presons Impex**. The **Presons Impex** is an ISO 9001 : 2015 Certified Company. The Company was started on 2002 by Mr. Sunil Kumar & Mr. Sonu Kumar. Initially the companies presence was in Transmission Line sector, but now **Presons Impex** supplying to Refineries, (Oil Sector), Power Sector, Road Crash Barrier, Wind Mill, Telecom Tower, Solar Plant, Railways, Defence, Steel, Thermal Plant, Agriculture Sector and Pre Building Construction,

Product Portfolio

Started our business operations, we are engaged in manufacturing and exporting a wide range of High Tensile Fasteners and Hot-Dip Galvanized Fasteners. We manufacture the products using quality raw material and using advanced technology to maintain the ISO, standards in our complete range. Further, we can also provide customization facility in terms of products as well as in terms of packaging, to suit the varied requirements of our clients.

» Nuts » Bolts » Studs » Washers » Threaded Bars
» Screws » Rivets » Special Fasteners as per customer requirement.

Why Us ?

Some of our specialties, which make us a preferred business partner for our clients are:

- » Quality and innovation
- » Customization » Timely deliveries » Competitive prices
- » Excellent customer responsiveness
- » Unending pursuit of product, process and performance optimization

Our Team

At **Presons Impex** Teamwork is the main theme. We have a team of expert professionals who are highly qualified and experienced. They manufacture these products by using premium quality materials and according to the specifications of the clients. Our organization is supported with a capacious infrastructure facility that is equipped with advanced machinery and tools. We also have a team of quality testers who constantly check the quality of our product range on various parameters and offer defect free range to our valuable clients in stipulated time period. There is a very experienced professionals handling their sections.

They are highly motivated and dedicated to their work. There is a continuous improvements in process and up gradation of technology as suggested by expert team members. Regular training is provided to each member to develop products as per customer/time requirements. With the view to polish, hone and sharpen their skills, we frequently organize training and discussion sessions.

Client Satisfaction

Our firm has always believed customer satisfaction as the sole priority, hence, we take all required efforts to exceed the expectations of our valued patrons. In order to suit all kinds of application requirements, we offer our products as per the specifications of the clients. Our products can be availed at industry leading prices. We have earned the trust and confidence of our clients by practicing fair business policies and delivering defect free consignments within the prescribed time limit. In order to simplify the process of making payments, we provide easy payment modes. All of the aforementioned factors have enabled us to acquire a top notch position in the preference list of our clients.
